

SECOND NOTICE

Recently, we sent you a Social Security questionnaire that we asked you to fill out and return to us. We haven't received the questionnaire so we're sending you another one. Please fill it out and return it to us. If we don't get it within 45 days, we may stop your benefit payments.

If you've mailed the first questionnaire in the last few days, you don't have to do anything else. Your payments will continue if we get your completed questionnaire within the next 45 days and your answers show you're still eligible for them.

What You Need To Do

Please mail your completed questionnaire in the enclosed envelope. If we didn't enclose an envelope or it's lost or not usable, send your questionnaire to:

Social Security Administration
Post Office Box 7162
