About The Decision

Doctors and other trained staff looked at your case and made this decision. They work for your state but used our rules.

If You Disagree With Our Decision

If you disagree with our decision, you have the right to appeal. We will review your case and consider any new facts you have. A person who did not make the first decision will decide your case. We will correct any mistakes. We will review those parts of the decision which you believe are wrong and will look at any fact you have. We may also review those parts which you believe are correct and may make them unfavorable or less favorable to you.

- You have 60 days to ask for an appeal.
- The 60 days start the day after you receive this letter. We assume you got this letter 5 days after the date on it unless you show us that you did not get it within the 5-day period.
- You must have a good reason if you wait more than 60 days to ask for an appeal.
- You have to ask for an appeal in writing. We will ask you to sign a Form SSA-561-U2, called "Request for Reconsideration". Contact one of our offices if you want help.

If You Want Help With Your Appeal

You can have a friend, lawyer or someone else help you. There are groups that can help you find a lawyer or give you free legal services if you qualify. There are also lawyers who do not charge unless you win your appeal. Your local Social Security office has a list of groups that can help you with the appeal. If you get someone to help you, you should let us know.
