IMPORTANT INFORMATION - PLEASE READ CAREFULLY

The Information you give on this form is confidential. We need the information to send your U.S. Social Security payments electronically to the financial institution in your country.

WHEN YOU WILL RECEIVE YOUR DIRECT DEPOSIT PAYMENTS

The banking system in the country where your account is located will process your benefit payment and should generally post to your account on the regular payment date. However, delays in direct deposit can occur when a payment date falls on a holiday in the country of the receiving bank. With direct deposit, you will have immediate access to your money. This is the safest way of receiving your benefits.

INFORMATION ABOUT CURRENCY CONVERSION

With direct deposit, your U.S. Social Security payment is automatically converted (if applicable) to the currency of the country in which your account is in at a good exchange rate a few days before your payment date.

SPECIAL NOTICE TO JOINT ACCOUNT HOLDERS

If you have a joint account with a person who receives Social Security payments, and that person dies, you must immediately contact your bank <u>and</u> the Social Security Administration or the American Embassy or Consulate in your area. Any Social Security payments deposited into a joint account after the death of a beneficiary must be returned to Social Security.

IF YOUR ADDRESS CHANGES

If your address changes, you **must** inform the American Embassy or the Social Security Administration. If the Social Security Administration needs to contact you and cannot locate you, your payments may be stopped.

CHANGING BANKS OR BANK ACCOUNTS

If you change your bank or your account, you must notify one of these offices:

U.S. Embassy	Social Security Administration
Consular Section	Office of International
16 Oxford Road	Operations
Kingston 5	PO Box 17769
Jamaica	Baltimore, MD 21235-7769
	USA

You may need to fill out a new Direct Deposit sign-up form. <u>Do not close your old account until payments</u> <u>have started coming to your new account.</u>
