We are writing to you about your Social Security benefits.

What You Should Know

Based on the information we have, we can pay benefits for December 2024.

In an earlier letter, we told you that you were entitled to Social Security but that we were holding back benefits. We withheld \$1,885.00 in Social Security benefits.

We did this because our records showed you could have been getting Supplemental Security Income (SSI) when we started paying you Social Security benefits. And Social Security benefits can lower the amount of SSI payments you can receive.

What We Will Pay And When

We pay Social Security benefits for a given month in the next month. For example, Social Security benefits for March are paid in April.

- You will receive \$466.75 around May 6, 2026.
- This is the money you are due through December 2024.
- The increase applies only to past benefits. It does not affect your monthly payment of \$985.00.
- You will receive \$985.00 for April 2026 around May 13, 2026.
- After that you will receive \$985.00 on or about the second Wednesday of each month.

Information About Your Payments

Our records show that you did not get SSI money for December 2024. We can refund all of the Social Security money withheld.

Information About Past-Due Benefits Withheld To Pay A Representative

Based on the law, we must withhold part of past-due benefits to pay an appointed representative. We cannot withhold more than 25 percent of past-due benefits to pay an authorized fee. We withheld \$471.25 from your past-due benefits to pay your representative.

We are sending a copy of this notice to your representative.

Social Security Benefits Can Affect SSI Payments

The Social Security benefits you receive count as income and resources and can lower the amount of SSI payments you can receive. When a person receives SSI money for a month and later becomes entitled to Social Security for the same month, we have to refigure the SSI payment. We hold back some of the Social Security benefits while we do this, so the person doesn't owe us if we've paid too much SSI.

If You Disagree With The Decision

If you do not agree with this decision, you have the right to appeal. We will review your case and look at any new facts you have. A person who did not make the first decision will decide your case. We will review the parts of the decision that you think are wrong and correct any mistakes. We may also review the parts of our decision that you think are right. We will make a decision that may or may not be in your favor.

- You have 60 days to ask for an appeal in writing.
- The 60 days start the day after you receive this letter. We assume you got this letter 5 days after the date on it unless you show us that you did not get it within the 5-day period.
- You must have a good reason if you wait more than 60 days to ask for an appeal.
- You must ask for an appeal in writing. Please use our "Request for Reconsideration" form, SSA-561-U2. You may go to our website at <http://www.ssa.gov/forms/> to locate the form. You can also contact us to request the form, or if you need help filling out the form.
