Social Security Administration Office of Earnings Operations Division of Earnings Records Operations 3-T-17 South Building Metro West 300 North Green Street Baltimore, Maryland 21201	RRB Claim Number
	Social Security Number
	Employee Date of Birth
	Employee Name

PART A – RRB NOTICE TO SSA

The person identified above has enough credited railroad service for insured status under the Railroad Retirement Act. The following active duty MS has been credited as railroad service months to either qualify the individual for a railroad retirement annuity or to increase the amount of an annuity calculation. **SSA cannot use this military service as wages**.

Branch of Service	From	Through

PART B – SSA-OEO REPORT

Date Received in OEO	**OEO Action**: Prepare detailed breakdown of earnings and delete from the earnings record (SS ER). Complete the following certification and fax this form to the PC or FO, if necessary.

☐ No claim paid or pending at SSA   ☐ Benefits Paid, Fax to PC   ☐ Claim Pending, Fax to FO

OEO has deleted the MS wages and deemed military wage credits for the above periods because this MS is used by the RRB and cannot be used by SSA.

Certified by	OEO Location and Unit	Date Faxed to PC/FO

PART C – PC/FO ACTION

PC: Earmark record that RRB is using the above MS by establishing the listing code 393. Take all corrective benefit adjustments and confirm by completing the proper paperless disposition.

FO: Take all corrective claims actions and confirm by completing the block below that describes the status. Post a Special Message to the MBR indicating the MS period deleted from the SS ER.

☐ This MS was not used in the SSA benefit computation.
☐ NH not insured without above MS.
