

**Exhibit 3—Modification to Extend Section 218(b)(5) Coverage to Individuals Ineligible for Membership in Retirement System**

Modification extends coverage to ineligible of political entities, which are covered under the agreement as absolute coverage groups. The effective date of coverage for the ineligible may differ from the date provided for the absolute coverage group of the political entities, but it may not be earlier than the effective date for the absolute coverage group. No optional exclusions are shown in this modification because the same optional exclusions that apply to the absolute coverage group also apply to the ineligible. Provision is made for the coverage of the ineligible to continue if they later become eligible for membership in the retirement system.
