

Exhibit 22—Notification Entity Erroneously Dissolved and SSA Reply

The notification establishes that the State discovered that a prior dissolution action was erroneous because an entity had not legally dissolved. Evidence establishing that the dissolution was erroneous must accompany this notice.

NOTICE REQUESTING INVALIDATION OF DISSOLUTION NO. _____

The State of _____, acting through its authorized representative(s), asserts that Dissolution No. ____, dated _____, was requested in error. That dissolution affected the State's Agreement of (date of original Agreement) with the Commissioner of Social Security with respect to coverage groups of the employees of the (*political subdivisions*) listed below, which were included under the Agreement by the Modification(s) shown.

In Dissolution No. ____, the State asserted that appropriate legal action dissolved the political subdivision(s). Based on subsequent evidence (attached), the State requests that Dissolution No. ____ be invalidated, as it was requested in error, and that coverage be restored as if the dissolution action had not taken place.
